CONCLUSION	33

VISION STATEMENT

To build a prosperous, united, empowered, and self-reliant Mumias West where every family has access to quality education, affordable healthcare, economic opportunity, clean water, electricity, security, and dignified living.

2

MISSION STATEMENT

To provide transformative, transparent, people-centered, and accountable leadership that prioritizes development, empowers communities, uplifts vulnerable families, and creates sustainable opportunities for all residents of Mumias West.

3

LEADERSHIP PHILOSOPHY

Leadership is not about promises.

It is about service, accountability, and delivering real solutions to real problems.

For too long, the people of Mumias West have endured poor roads, youth unemployment, struggling farmers, inadequate healthcare, water shortages, rising poverty, and limited economic opportunities.

This manifesto presents practical, achievable, and people-driven solutions designed to restore dignity, unlock opportunities, and improve the quality of life for every resident.

This is not just a campaign document.

It is a social contract between leadership and the people.

4

OUR COMMITMENT TO THE PEOPLE

Our administration will be guided by the following principles:

- Transparency and accountability in leadership.
- Fair distribution of development projects.
- Inclusive decision-making and public participation.
- Equal opportunities for all communities.
- Responsible management of public resources.
- Youth, women, and vulnerable group empowerment.
- Sustainable and people-centered development.
- Accessible and responsive leadership.

PILLAR 1:

QUALITY EDUCATION & SKILLS DEVELOPMENT

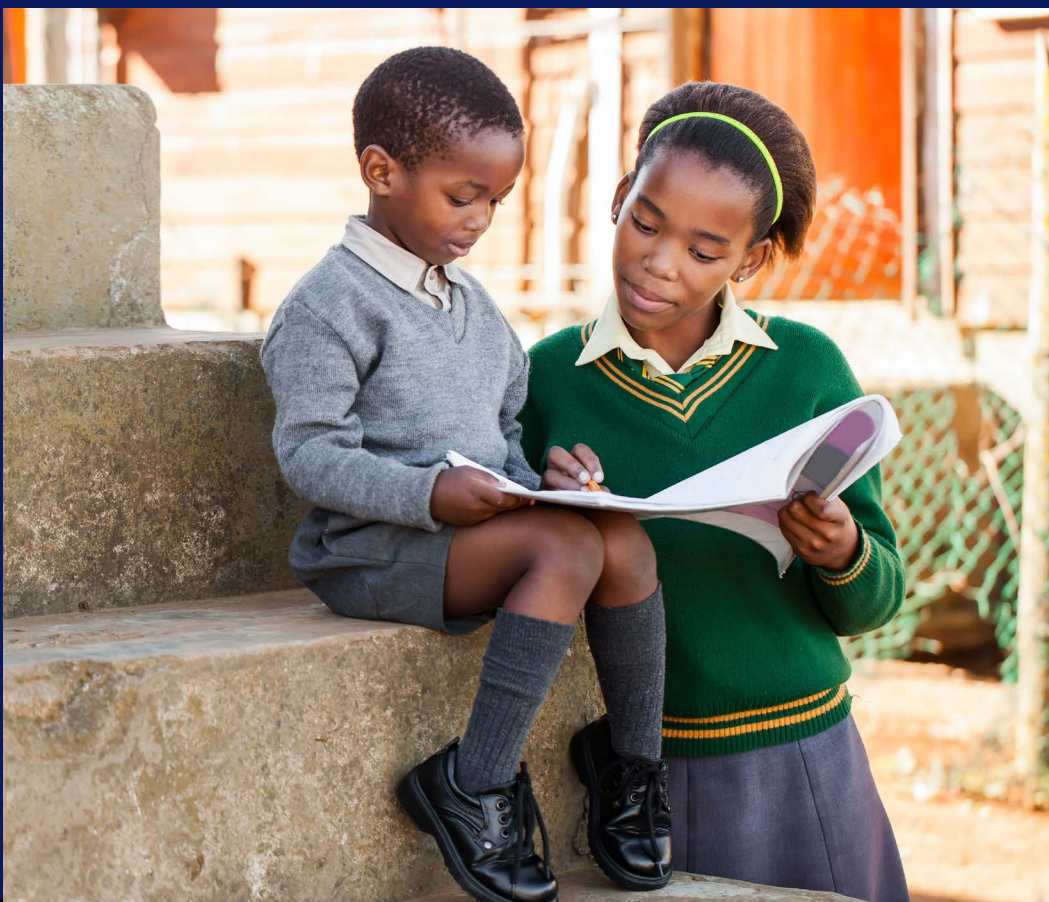

"No Child Left Behind"

Education remains the greatest equalizer in society. Every child in Mumias West deserves access to quality and affordable education regardless of their family background.

Many families are currently struggling with school fees, bursary corruption, overcrowded classrooms, lack of laboratories, inadequate teachers, and students dropping out due to poverty.

Our administration will shift from the unreliable bursary model to a sustainable education support system that guarantees affordable learning for every child.

Key Priorities & Action Plans

1

Abolish the Ineffective and Politicized Bursary System

Action Plan:

- Replace fragmented bursaries with a structured constituency-wide education support program.
- Redirect education funds towards reducing school levies for all learners in public day-secondary schools.
- Introduce transparent education funding systems with public accountability.
- Eliminate favoritism by ensuring equal access to affordable education support.

2

Introduce a Fully Supported Day-Secondary School Education Model

Action Plan:

- Implement a subsidized day-school model similar to the Kiharu education framework championed by Ndindi Nyoro.
- Lobby the national government for increased school capitation.
- Mobilize NG-CDF and development resources towards reducing learning costs.
- Ensure sustainability through proper planning and financial accountability.

3

Ensure Parents Only Contribute KES 1,000 Per Term Towards Meals

Action Plan:

- Subsidize operational costs in public day-secondary schools.
- Introduce centralized food support programs.
- Work with local farmers and suppliers to provide affordable food supplies.
- Eliminate unnecessary school levies.

Key Priorities & Action Plans

Expected Impact

- Reduced school dropout rates.
- Increased transition to tertiary education.
- Reduced financial burden on parents.
- Better academic performance.
- A skilled and competitive generation

4

Build and Modernize Schools

Action Plan:

- Renovate classrooms and construct additional learning facilities.
- Equip schools with modern science laboratories and libraries.
- Improve sanitation facilities and clean water access.
- Provide desks, lighting, and safe learning environments.

5

Introduce Digital Learning & ICT Centres

Action Plan:

- Establish ICT laboratories in schools.
- Provide computers and internet connectivity.
- Train teachers on digital learning methods.
- Promote coding, innovation, and online learning opportunities.

6

Expand Scholarships & TVET Support

Action Plan:

- Establish scholarship programs for vulnerable students.
- Support university and TVET learners.
- Promote technical and vocational skills training.
- Support youth polytechnics with equipment and instructors.

7

Introduce Mentorship & School Transport Programs

Action Plan:

- Connect students with professionals and mentors.
- Organize career guidance and leadership forums.
- Support transport initiatives for learners in remote areas.

PILLAR 2:

AGRICULTURE, FOOD SECURITY & ECONOMIC EMPOWERMENT

"Empowering Farmers, Growing Incomes"

Agriculture is the backbone of Mumias West. Yet our farmers continue to suffer from delayed payments, expensive farm inputs, poor markets, low productivity, and declining sugarcane farming.

Key Priorities & Action Plans

1

Advocate for Timely Payment of Sugarcane Farmers

Action Plan:

- Push for legally binding payment timelines.
 - Advocate for transparency in weighing and payment systems.
 - Protect farmers from exploitation.
 - Champion fair compensation policies.
-

2

Revive Mumias Sugar & Support Cane Farmers

Action Plan:

- Lobby for reforms prioritizing local farmers.
 - Advocate for accountability and proper management.
 - Push for factory modernization and rehabilitation.
 - Fight cartels and exploitation.
-

3

Introduce Subsidized Farm Inputs

Action Plan:

- Increase access to subsidized fertilizer.
- Support certified seed distribution.
- Ensure timely delivery of farm inputs.
- Train farmers on proper usage.

Key Priorities & Action Plans

4

Support Crop & Livestock Diversification

Action Plan:

- Promote maize, cassava, poultry, dairy, fish, banana, and vegetable farming.
- Improve access to veterinary services.
- Introduce demonstration farms.
- Support agribusiness opportunities.

5

Establish Agricultural Extension Services

Action Plan:

- Deploy ward-based extension officers.
- Organize farmer training forums.
- Promote modern and climate-smart agriculture.

6

Promote Irrigation Farming

Action Plan:

- Support small-scale irrigation projects.
- Promote water harvesting systems.
- Encourage year-round farming.

7

Create Cooperatives & Aggregation Centres

Action Plan:

- Organize farmers into cooperatives.
- Establish produce aggregation centres.
- Improve access to financing and markets.

Key Priorities & Action Plans

Expected Impact

- Increased household income.
- Improved food security.
- Better profits for farmers.
- Reduced poverty and unemployment.
- Sustainable agricultural growth

8

Introduce Value Addition & Market Access Programs

Action Plan:

- Support small-scale processing plants.
- Promote packaging and branding.
- Connect farmers directly to markets.
- Reduce exploitation by middlemen.

9

Support Women & Youth Agribusiness

Action Plan:

- Provide startup grants and agribusiness training.
- Promote youth and women-led farming enterprises.
- Link groups to financing and development partners.

10

Establish Cold Storage Facilities

Action Plan:

- Construct cold storage facilities in agricultural zones.
- Reduce post-harvest losses.
- Improve produce quality and market access.

PILLAR 3:

HEALTHCARE FOR ALL

"Affordable, Accessible & Humane Healthcare"

Healthcare is a basic right, not a privilege.

Families in Mumias West continue to suffer because of understaffed hospitals, lack of medicine, expensive treatment, poor ambulance services, and high healthcare costs.

Key Priorities & Action Plans

1

Upgrade All Dispensaries & Health Centres

Action Plan:

- Renovate and modernize health facilities.
- Expand maternity and outpatient departments.
- Equip facilities with laboratory services and essential equipment.
- Lobby for additional healthcare staffing.

2

Ensure Constant Supply of Medicine

Action Plan:

- Strengthen medicine supply monitoring systems.
- Work closely with KEMSA and county health departments.
- Introduce transparent stock management systems.

3

Improve Maternal Healthcare & Child Nutrition

Action Plan:

- Expand maternal clinics and prenatal services.
- Support nutrition programs for mothers and children.
- Improve immunization and wellness clinics.

4

Establish Mobile Clinics

Action Plan:

- Introduce mobile outreach programs in remote villages.
- Organize free medical camps.
- Improve healthcare access for vulnerable populations.

Key Priorities & Action Plans

Expected Impact

- Affordable healthcare for ordinary families.
- Reduced preventable deaths.
- Improved maternal and child healthcare.
- Better access to medical services

5

Improve Emergency Response & Ambulance Services

Action Plan:

- Increase ambulance coverage.
- Strengthen referral systems.
- Train community first responders.

6

Expand SHA Support

Action Plan:

- Conduct constituency-wide SHA registration drives.
- Advocate for reducing SHA contributions from KES 500 to KES 200 monthly.
- Promote flexible monthly payment systems.

7

Support Elderly & Persons Living with Disabilities

Action Plan:

- Establish dedicated medical outreach programs.
- Support access to assistive devices and affordable medication.
- Promote home-based healthcare initiatives.

8

Strengthen Mental Health Services

Action Plan:

- Establish youth counseling and mentorship programs.
- Support rehabilitation and anti-drug abuse initiatives.
- Partner with schools, churches, and healthcare providers.

9

Partner with Private & Faith-Based Hospitals

Action Plan:

- Expand affordable treatment services.
- Support specialist outreach medical camps.
- Strengthen referral systems.

PILLAR 4:

YOUTH & WOMEN EMPOWERMENT

"Unlocking Potential, Creating Opportunities"

The youth and women of Mumias West are talented, hardworking, and innovative, but many remain unemployed and economically excluded.

Key Priorities & Action Plans

1

Create Empowerment Funds

Action Plan:

- Establish transparent constituency empowerment funds.
- Provide affordable loans, grants, and revolving funds.
- Support youth and women-owned enterprises.

2

Introduce Vocational & Digital Skills Programs

Action Plan:

- Upgrade vocational training centres.
- Introduce ICT, coding, mechanics, beauty, tailoring, and agribusiness courses.
- Promote digital literacy and online employment opportunities.

3

Support Startups & Small Businesses

Action Plan:

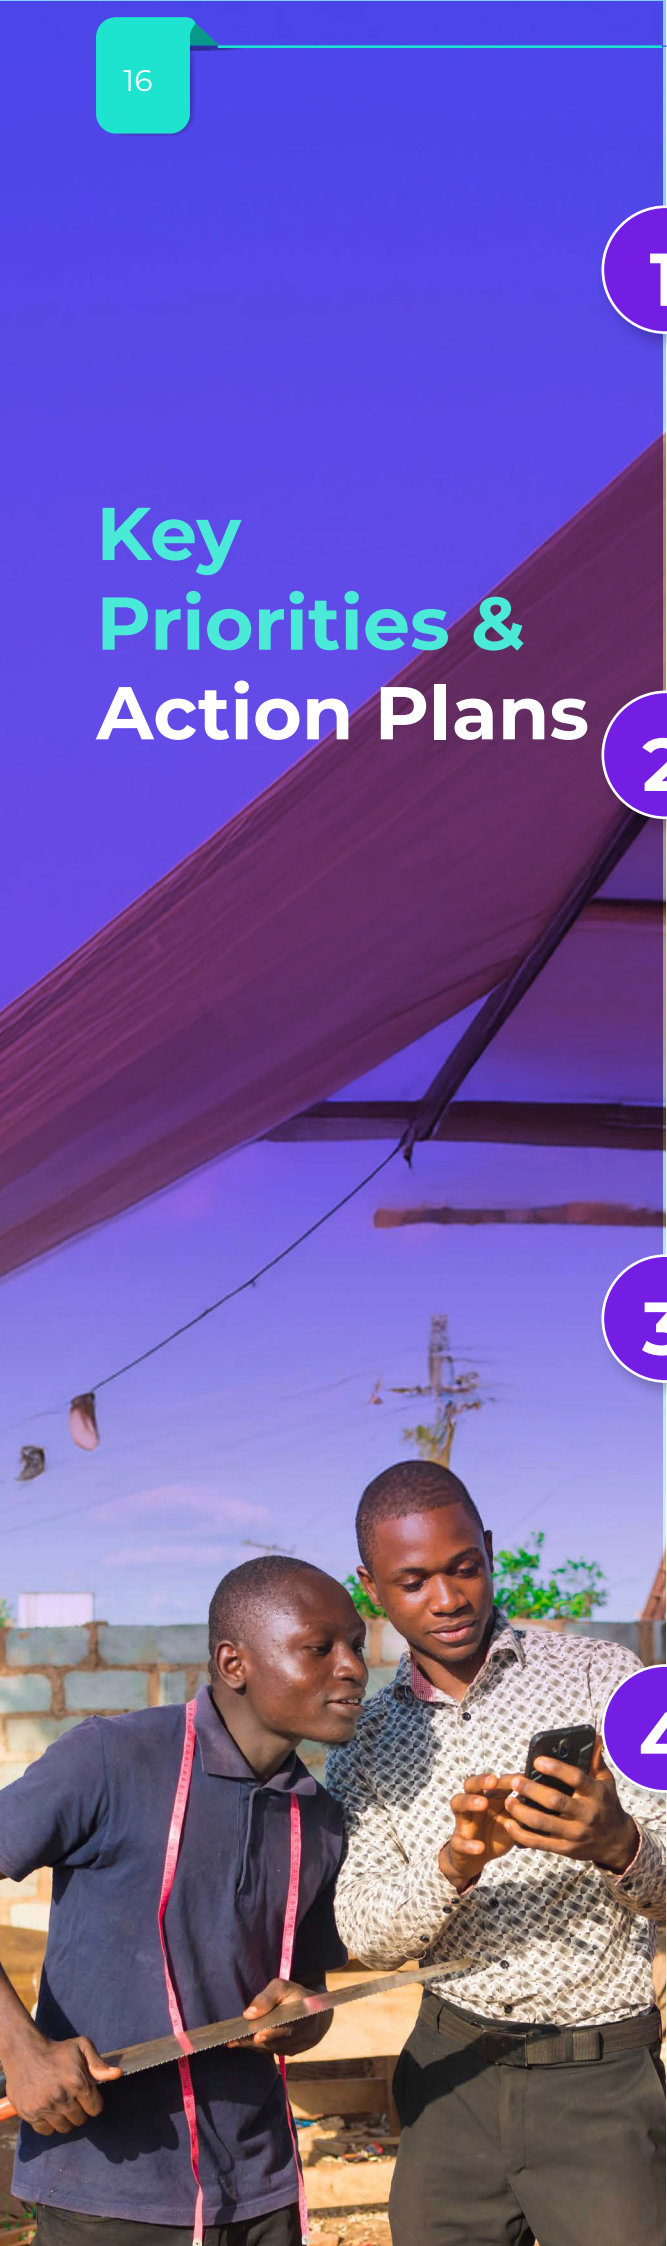

- Provide grants and affordable financing.
- Offer business management training.
- Support branding and market access.

4

Establish Innovation & Entrepreneurship Hubs

Action Plan:

- Create innovation centres with internet access and mentorship.
- Support commercialization of youth-led ideas.
- Partner with investors and private sector players.

Key Priorities & Action Plans

5

Create Partnerships for Job Creation

Action Plan:

- Engage industries and investors.
- Promote industrial and agribusiness investment.
- Organize job placement and internship programs.

6

Prioritize Local Youth & Women in Projects

Action Plan:

- Ensure local youth and women benefit from constituency projects.
- Promote fair procurement processes.
- Strengthen awareness of available opportunities.

7

Promote Sports, Arts & Talent Development

Action Plan:

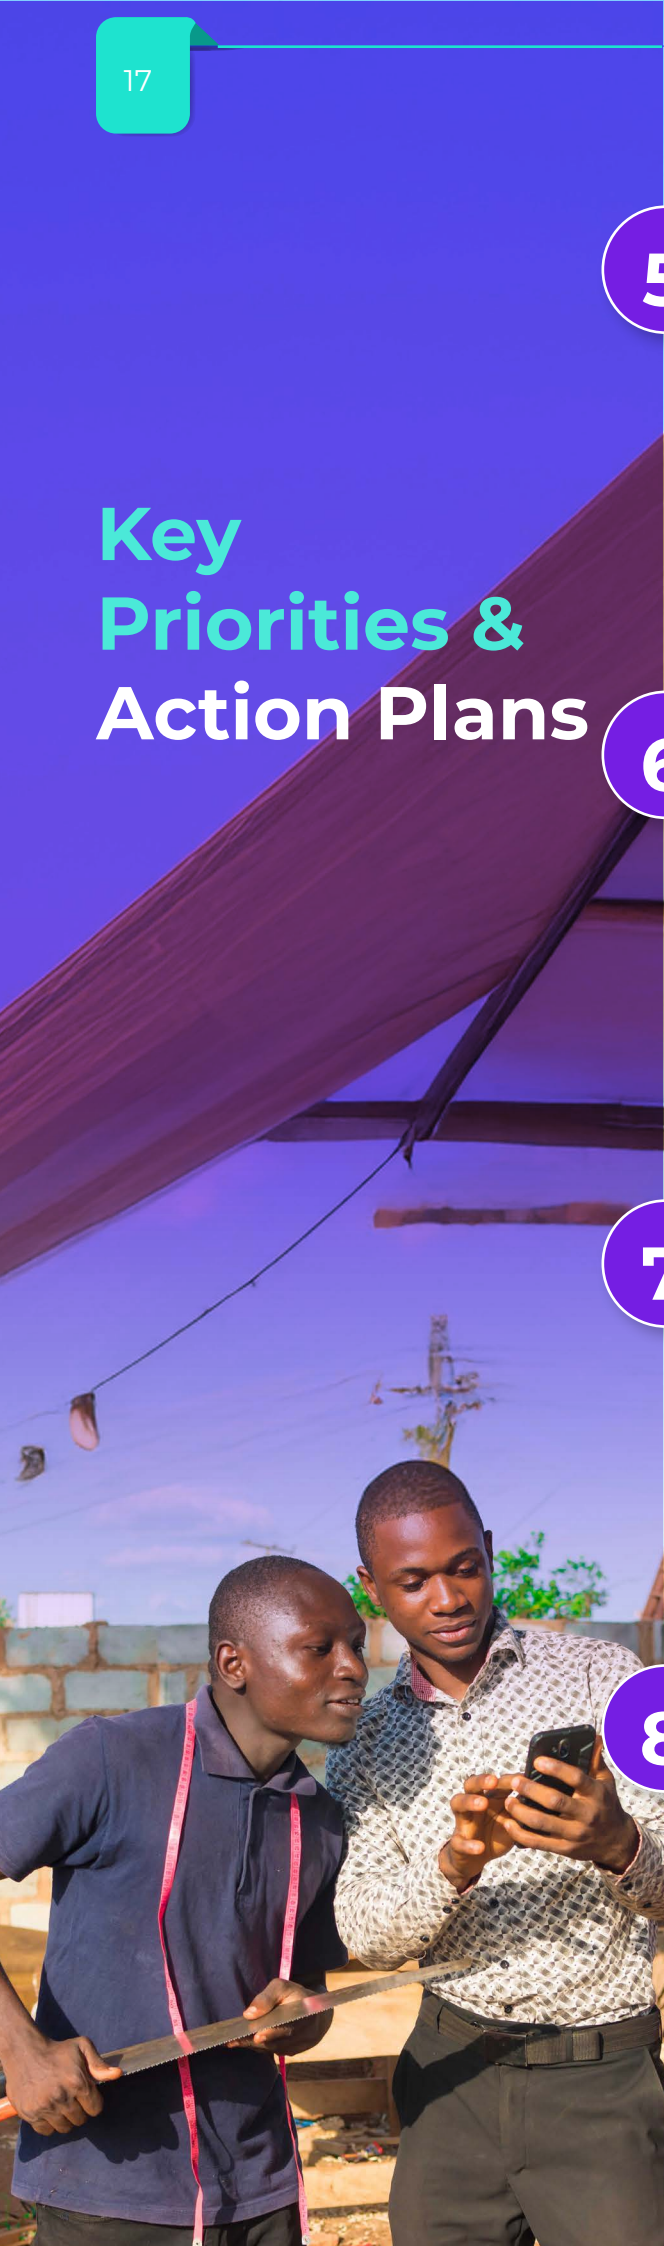

- Support tournaments and talent competitions.
- Improve sports facilities.
- Promote music, arts, and creative economy opportunities.

8

Support Women Groups & SACCOs

Action Plan:

- Strengthen table banking and SACCO initiatives.
- Promote entrepreneurship and financial literacy.
- Improve access to affordable credit.

Key Priorities & Action Plans

Expected Impact

- Reduced unemployment.
- Increased household income.
- Stronger local businesses.
- Reduced crime and drug abuse.
- More self-reliant youth and women

9

Expand Access to Government Procurement

Action Plan:

- Promote AGPO awareness and training.
- Support registration and tender application processes.
- Advocate for fair procurement opportunities.

10

Introduce Mentorship Programs

Action Plan:

- Organize mentorship and leadership forums.
- Connect youth with successful professionals.
- Promote integrity and responsible leadership.

11

Organize Business Expos & Empowerment Forums

Action Plan:

- Organize trade fairs and networking forums.
- Showcase youth and women-owned businesses.
- Promote market and investment linkages.

12

Create Digital Job Platforms

Action Plan:

- Develop digital platforms for jobs and opportunities.
- Promote online freelancing and remote work.
- Improve internet access and digital training.

PILLAR 5:

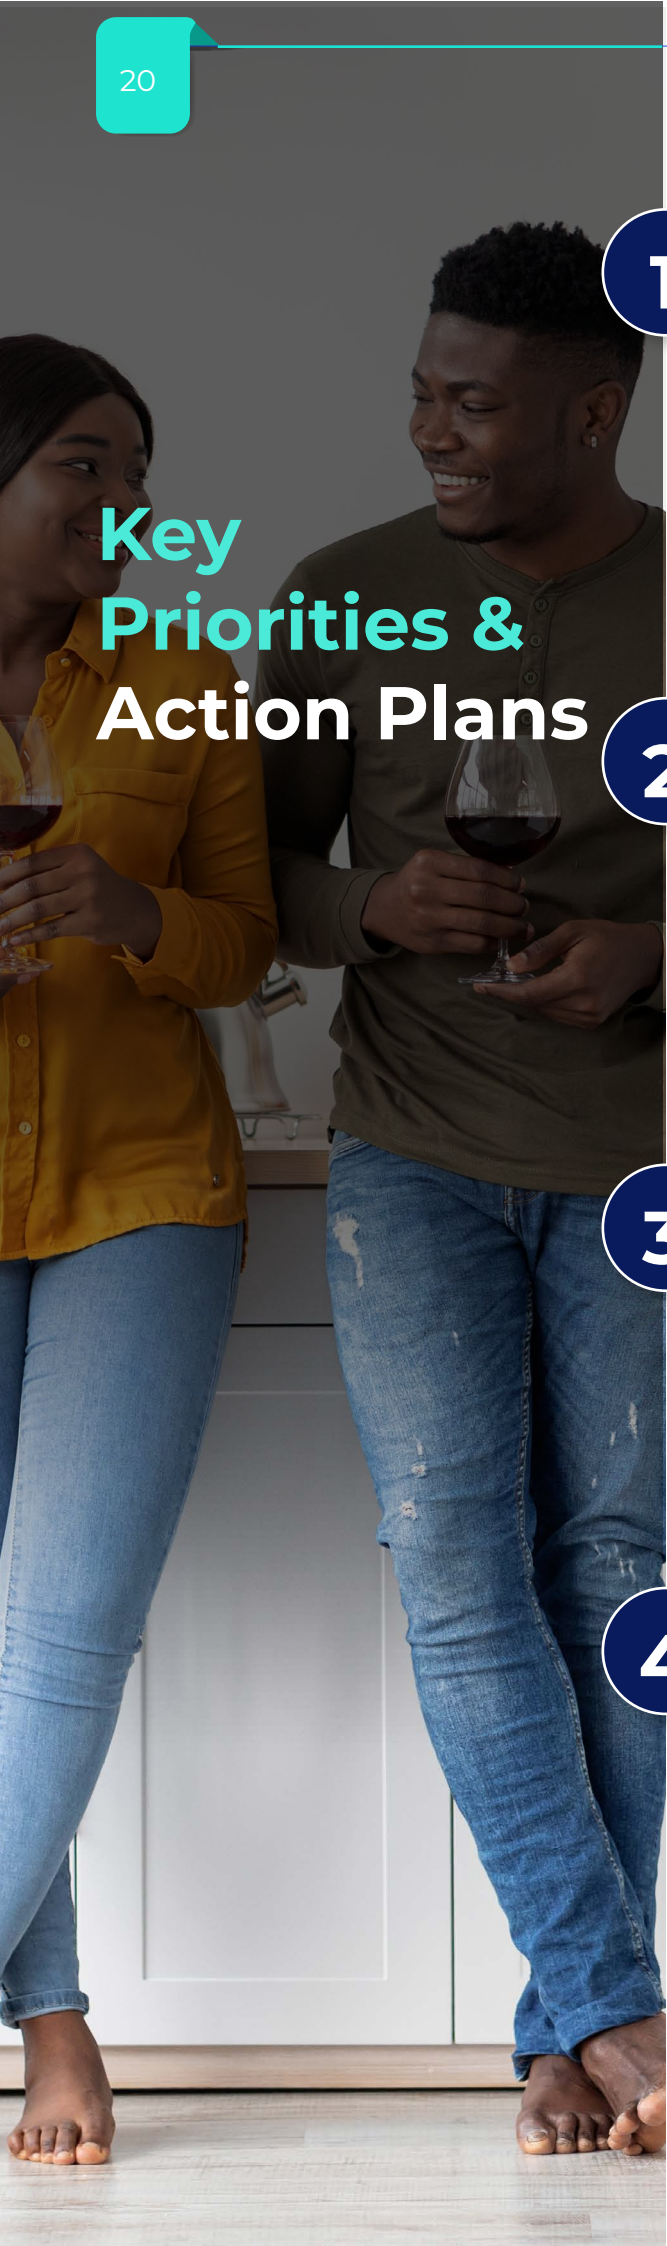

SECURITY, GOVERNANCE & ACCOUNTABILITY

"Leadership That Works for the People"

True leadership must be transparent, accountable, accessible,
and people-centered

Key Priorities & Action Plans

1

Introduce Transparent Project Management

Action Plan:

- Publish project budgets and implementation timelines.
 - Involve community representatives in project monitoring.
 - Conduct regular accountability forums.
-

2

Publish Annual Development Reports

Action Plan:

- Share annual expenditure and development updates.
 - Use digital platforms and public meetings for accountability.
 - Provide accessible public reports.
-

3

Hold Public Participation Forums

Action Plan:

- Conduct ward-level public engagement meetings.
 - Allow residents to prioritize projects.
 - Promote inclusive decision-making.
-

4

Ensure Fair Distribution of Projects

Action Plan:

- Prioritize underserved communities.
- Eliminate favoritism and discrimination.
- Use data and consultations to guide allocation.

Key Priorities & Action Plans

5

Strengthen Security Collaboration

Action Plan:

- Work closely with police and local administrators.
- Improve security coordination and reporting systems.
- Support anti-crime and anti-drug abuse initiatives.

6

Support Community Policing & Youth Engagement

Action Plan:

- Strengthen Nyumba Kumi initiatives.
- Support youth empowerment and mentorship programs.
- Promote civic education and responsible citizenship.

7

Improve Security Lighting

Action Plan:

- Install solar-powered streetlights.
- Prioritize insecure and poorly lit areas.
- Improve safety in villages and markets.

8

Fight Corruption & Misuse of Public Resources

Action Plan:

- Promote transparent procurement systems.
- Encourage public reporting of corruption.
- Strengthen oversight and accountability.

Key Priorities & Action Plans

Expected Impact

- Increased public trust.
- Reduced corruption.
- Safer communities.
- Faster service delivery.
- Inclusive and transparent leadership

9

Promote Peace & Unity

Action Plan:

- Organize peace-building forums.
- Promote coexistence and social harmony.
- Engage religious and community leaders.

10

Establish Emergency Response Systems

Action Plan:

- Create emergency coordination teams.
- Improve disaster preparedness.
- Strengthen flood and fire response systems.

11

Create Accessible Constituency Offices

Action Plan:

- Establish responsive constituency offices.
- Introduce digital communication channels.
- Create hotlines for public feedback.

12

Champion Cost of Living Reforms

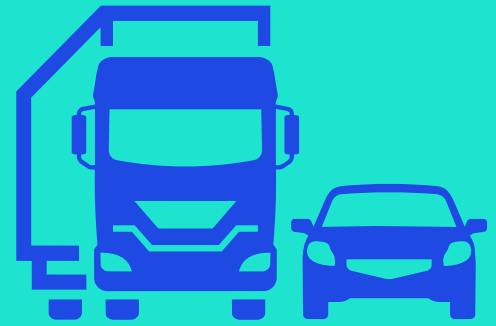

Action Plan:

- Advocate for lower taxes on essential goods.
- Push for affordable healthcare and education.
- Promote job creation and economic empowerment.

PILLAR 6:

ROADS, TRANSPORT & DIGITAL
INFRASTRUCTURE

"Opening Up Every Village"

Development cannot happen without proper infrastructure

Key Priorities & Action Plans

1

Upgrade Rural Access Roads

Action Plan:

- Grade and maintain feeder roads.
- Prioritize roads connecting schools, hospitals, and markets.
- Establish routine maintenance programs.

2

Lobby for Tarmacking of Key Roads

Action Plan:

- Advocate for inclusion of roads in government budgets.
- Prioritize roads linking wards and economic centres.
- Monitor implementation and project quality.

3

Improve Drainage Systems

Action Plan:

- Construct drainage channels and culverts.
- Desilt blocked drainage systems.
- Reduce flooding and road destruction.

4

Construct Bridges & Footbridges

Action Plan:

- Identify dangerous crossing points.
- Lobby for bridge and footbridge construction.
- Improve safety and year-round accessibility.

5

Improve Market Infrastructure

Action Plan:

- Upgrade market stalls and sanitation facilities.
- Improve water, lighting, and waste management systems.
- Support expansion of trading centres.

Key Priorities & Action Plans

Expected Impact

- Faster movement of goods and people.
- Improved business growth.
- Better access to schools and hospitals.
- Increased investment opportunities.
- Enhanced digital inclusion

6

Expand Public Lighting

Action Plan:

- Install solar-powered streetlights.
- Improve safety in towns and shopping centres.
- Promote night-time business activity.

7

Improve Internet & Network Connectivity

Action Plan:

- Engage telecom providers to expand coverage.
- Promote broadband infrastructure.
- Support internet access in schools and institutions.

8

Establish Digital Centres & Public Wi-Fi

Action Plan:

- Create ICT hubs and digital resource centres.
- Provide free public Wi-Fi hotspots.
- Support online learning and digital jobs.

9

Promote Smart Constituency Initiatives

Action Plan:

- Introduce digital governance platforms.
- Use technology for project monitoring.
- Promote digital innovation across sectors.

10

Improve Transport Accessibility

Action Plan:

- Improve transport links for farmers and traders.
- Reduce transport costs and delays.
- Support economic mobility and market access.

PILLAR 7:

WATER, RURAL ELECTRIFICATION & LAST-MILE
CONNECTIVITY

"Every Homestead Connected"

Access to clean water and electricity should not be a privilege

Key Priorities & Action Plans

1

Launch the “Water to Every Homestead” Initiative

Action Plan:

- Extend piped water systems to underserved communities.
- Prioritize schools, hospitals, and public institutions.
- Promote affordable household water connections.

2

Expand Clean & Safe Water Projects

Action Plan:

- Rehabilitate community water projects.
- Improve water treatment systems.
- Support water storage facilities.

3

Protect Rivers, Springs & Wetlands

Action Plan:

- Protect water catchment areas.
- Promote environmental conservation.
- Strengthen community awareness programs.

4

Drill & Rehabilitate Boreholes

Action Plan:

- Drill strategic boreholes in water-scarce areas.
- Install solar-powered pumps.
- Ensure proper maintenance systems.

Key Priorities & Action Plans

5

Support Community Water Projects

Action Plan:

- Support rainwater harvesting systems.
- Promote water storage and sustainability.
- Encourage community ownership.

6

Expand Rural Electrification

Action Plan:

- Lobby for expansion of electricity coverage.
- Prioritize unconnected villages near power lines.
- Support electricity access for schools and health facilities.

7

Lobby for Subsidized Electricity Connection Fees

Action Plan:

- Advocate for affordable connection fees.
- Promote flexible payment plans.
- Support vulnerable households.

8

Install Solar-Powered Streetlights

Action Plan:

- Install streetlights in markets and villages.
- Improve security and business activity.
- Promote environmentally friendly lighting systems.

Key Priorities & Action Plans

Expected Impact

- Reduced water shortages.
- Improved hygiene and sanitation.
- Better security through street lighting.
- Increased business activity.
- Cleaner and healthier communities

9

Promote Renewable Energy Solutions

Action Plan:

- Support household solar systems.
- Promote solar-powered irrigation.
- Encourage clean energy adoption.

10

Improve Drainage & Flood Mitigation

Action Plan:

- Improve drainage infrastructure.
- Desilt waterways and drainage channels.
- Support flood response systems.

11

Lead Environmental Conservation Programs

Action Plan:

- Organize tree-planting campaigns.
- Promote agroforestry and environmental protection.
- Support school environmental clubs.

12

Promote Clean Markets & Waste Management

Action Plan:

- Improve waste collection systems.
- Promote sanitation and recycling programs.
- Support cleaner public spaces.

PILLAR 8:

CARE FOR THE ELDERLY, PERSONS WITH
DISABILITIES & SOCIAL PROTECTION

"A Society That Cares for Everyone"

A compassionate society must protect its most vulnerable citizens

Key Priorities & Action Plans

1

Increase Inua Jamii Support

Action Plan:

- Champion legislation increasing support from KES 2,000 to KES 5,000 monthly.
- Advocate for inflation-sensitive social protection policies.
- Push for increased budget allocation.

2

Lower the Qualifying Age

Action Plan:

- Advocate for reducing the qualifying age to Kenya's legal retirement age.
- Promote inclusive eligibility criteria.
- Work with parliamentary committees and stakeholders.

3

Improve Timely Disbursement of Funds

Action Plan:

- Strengthen accountability in disbursement systems.
- Promote digital payment systems.
- Establish reporting channels for delays.

4

Support Persons Living with Disabilities

Action Plan:

- Establish disability support programs.
- Promote inclusive development.
- Support access to government services.

5

Improve Accessibility in Public Institutions

Action Plan:

- Promote disability-friendly infrastructure.
- Install ramps and accessible facilities.
- Enforce accessibility laws.

Key Priorities & Action Plans

Expected Impact

- Improved dignity for senior citizens.
- Better support for vulnerable families.
- Increased social inclusion.
- Reduced extreme poverty.
- Greater community care and protection

6

Support Vulnerable Families

Action Plan:

- Organize food and healthcare support programs.
- Support maternal and child nutrition initiatives.
- Strengthen emergency social support systems.

7

Establish Community Elderly Care Programs

Action Plan:

- Organize medical outreach programs.
- Promote home-based care initiatives.
- Encourage family and community participation.

8

Expand Assistive Device Programs

Action Plan:

- Provide wheelchairs, hearing aids, and other devices.
- Partner with healthcare institutions and NGOs.
- Improve accessibility and affordability.

9

Promote Inclusion & Equal Opportunity

Action Plan:

- Promote inclusive leadership policies.
- Fight discrimination and exclusion.
- Advocate for equal access to opportunities.

10

Strengthen Child Protection & Anti-Drug Abuse Programs

Action Plan:

- Support rehabilitation and counseling initiatives.
- Strengthen child protection systems.
- Promote mentorship and youth support programs.

CONCLUSION

The people of Mumias West deserve leadership that listens, serves, and delivers.

This manifesto represents a practical and transformative agenda focused on education, healthcare, agriculture, infrastructure, empowerment, accountability, and social protection.

Together, we can build a constituency where:

- Every child accesses quality education.
- Every family accesses affordable healthcare.
- Every farmer earns dignified income.
- Every youth has opportunity.
- Every woman is empowered.
- Every village has water and electricity.
- Every road connects people to opportunity.
- Every elderly person lives with dignity.
- Every citizen feels represented and respected.

The future of Mumias West is bright.

The time for transformational leadership is now.

“People First. Service Always. Development for All.”
